

3rd Annual

"Never Back Down" Toy Drive

In Memory of *Sean Duggan* on His Birthday

The Duggan family saw firsthand what a difference a new toy could make for a child who is trying to get well. Please join us in brightening up the day for a group of very brave children.

*On August 8th, we will be distributing toys to children undergoing treatment on the Oncology floor of Children's Memorial Hospital. The first two toy drives were a **Huge Success** resulting in over 800 Toys being collected and distributed at each! Please visit www.seandugganfoundation.org to view pictures from previous toy drives.*

If you would like to make a contribution, please drop off a NEW, UNWRAPPED toy to one of the following locations by August 5th.
